Apartament

Rif: To 167

Splendid apartment on two levels, located in a building in the city center directly overlooking Piazza San Carlo.

The apartment is accessed by a private lift and has undergone a refined and contemporary renovation, using high-quality materials.

The fourth floor is characterized by a bright and large living room with dormer windows, open kitchen, dining room and delightful planted terrace. Also on the same floor there are the laundry room, a guest bedroom with bathroom and a service bedroom with bathroom. The sleeping area on the third floor has four bedrooms with private bathrooms and two large dressing rooms, and a video room.

Two parking spaces complete the property.
