Penthouse

Rif. To 346

Prestigious attic located on the top floor of Palazzo Novecento, a building built in 1930 and immediately recognized as an example of the Italian Rationalist movement.

The building, located in the Borgo Nuovo neighbourhood, enjoys not only the proximity of the Po River and the Parco del Valentino, but also of the major attractions of the city centre. The complete renovation of the building has maintained the linear beauty of the external structure while making it functional to contemporary needs. The apartment has an entrance hall, large and bright living room, dining room, fully equipped eat-in kitchen overlooking the long terrace and laundry room. Equally arranged along the terrace are a guest ensuite bedroom and a large gym. The sleeping area features a master suite with walk-in closet and large bathroom with sauna. The planted terrace is equipped and has a conversation area with fireplace and outdoor kitchen.
