In the heart of Crocetta neighbourhood, a wonderful apartment on the top and penultimate floors of a building with concierge service. The property unfolds over two levels and was recently renovated with great attention to materials and cutting-edge home automation.

The clean cuts of the spaces often delimited by glass walls, the bold colours and the fine furnishings are striking. A lift accesses the floors privately: the last, the 6th, is exposed on two areas, one of which overlooks the long terrace. It has a spectacular and modern kitchen enclosed within glass walls, a wine cellar, a dining area and a living room. The master bedroom has two bathrooms, one of which with a spa area, two large changing rooms, and an area used as a gym equipped with Technogym equipment, sauna, Turkish bath and shower. The terrace on this floor is furnished with elegant sofas, sun loungers and a large dining table to enjoy the views of the hill. A magnificent glass staircase leads to the lower floor, the 5th, also exposed on two areas and overlooking a long terrace: it has three ensuite bedrooms and changing rooms, a game area and a large equipped laundry room. Also, on the 5th floor, there is a separate area with a kitchen, two bedrooms and two bathrooms for eventual service personnel.

Equipped and planted terrace overlooked by the bedrooms. The property includes the exclusive use of the large condominium garden and three garages, one of which is double.
