Prestigious apartment on the main floor with private garden, located in a building from the early 1900s, located in Via Mentana, with a lift currently being installed, and an intervention aimed at cleaning the facade and renovating the condominium roof is also planned.

The apartment overlooks the quiet and peaceful Via Mentana as well as a private garden, and its renovation could create a property comprising an entrance hall, large living room overlooking the garden, kitchen, dining area, four bedrooms and three bathrooms.

The property is located in the Crimea district, currently among the most exclusive in the city, located beyond the Po, between Monte dei Cappuccini and Corso Moncalieri.

It is known as a typically residential area, quiet, characterized by beautiful buildings, historic villas and prestigious apartments. The cadastral data and energy certification are currently being studied, therefore the above indications do not represent any contractual obligation.
