Attic

Rif: To 398

Spectacular penthouse with terraces on different levels, on the top floor of the prestigious Number Six building in the city centre. The entire property has been recently renovated maintaining its period characteristics, but equipped with home automation systems, ultra-modern finishes, gym and spa in the structure available to the owners, concierge service, video surveillance and underground garages.

The apartment is accessed directly with a private lift, and is on two levels. On the first there is a large entrance to the lounge, a charming glass kitchen, a cinema room and service rooms. The sleeping area on the second level has three bedrooms with walk-in closets and relevant bathrooms.

Five panoramic terraces equipped with hanging gardens make the property unique.  
Three parking spaces.
