Villa

Rif: To 413

Magnificent and completely renovated villa with garden, immersed in the greenery of the Turin hills in Strada San Vincenzo.

The generous size of the property is spread over three levels, and is characterized by quality materials, contemporary furnishings, bright floor-to-ceiling windows directly overlooking the garden. The ground floor consists of an entrance hall, a large double living room, a dining room and a modern equipped kitchen. A quiet covered porch provides additional space to enjoy the outdoor space.

The sleeping area is located on the second floor and has a master room with bathroom and dressing room and two further bedrooms with bathroom and walk-in closets.

The basement is organized with two big rooms, a cellar, an ironing room, a storage room and a bathroom.
