

Torino

Price: private negotiation

Apartment

Rif: To 433

In the heart of Turin, stunning apartment on the first floor of a quiet building located in the city center's pedestrian area, in Via Lagrange 29.

The property was recently renovated redefining the internal spaces and creating a warm and comfortable environment. The quality materials used for the decoration such as marble and wood as well as the choice of colors underline the contemporary elegance. The view over the internal courtyard guarantees tranquility and privacy despite the central location close to all shops.

It consists of a large and bright living room with open kitchen and central island, dining area and leaving. The sleeping area has a master room with large walk-in closet and bathroom, two bedrooms with private bathrooms and a practical laundry room.
