Loft

Rif: To 450

Just few steps from Porta Nuova Station, modern and chic loft surrounded by the city center's most renowned shops and services.

Located in a historic building, the property extends over two levels—the ground floor and the first floor—and opens directly onto the internal courtyard, offering an oasis of tranquility. Soon to be renovated, it can be customized in terms of layout and choice of materials.

The project currently includes a large and bright living area thanks to the large arched windows, a kitchen, a small toilet, a laundry, one bedroom with bathroom. The mezzanine level includes a master bedroom with a dressing room and bathroom.

A garage available in the property if necessary.
