Loft modernly renovated with garden and private swimming pool, located on the first hill of Turin, just a few minutes from Piazza Gran Madre.

The property has been recently renovated, highlighting its strong contemporary character through the use of iron columns, floor-to-ceiling windows, resin floors, exposed brick walls and glass partitions between the rooms. The property is offered furnished in a style reminiscent of New York lofts.

It comprises, on the ground floor, a large open space with double living room and open-plan kitchen; an iron staircase leads to the mezzanine level, where the sleeping area includes three bedrooms and four bathrooms.

The property is completed by a terraced private garden with spectacular views over the city, a private swimming pool and a large garage.
