Fifth-floor attic apartment, part of the Quadrato residential complex. The project includes the complete renovation of all parts of the building and the courtyard, as well as the creation of underground garages.
The apartment is accessed by lift with a private landing, and by a private internal staircase from the fourth floor.
The very spacious living area, distinguished by the views enjoyed through the newly built dormer windows, features an open-plan kitchen, a lounge area, a generous entrance hall, a laundry room and a guest bathroom.
The two separate sleeping areas comprise 3 bedrooms, each with its own en-suite bathroom, including a master bedroom with a large wardrobe area.
